

Our mission: To promote awareness of the unique needs of gifted children and to support educational and social opportunities to meet those needs.

The Eden Prairie Council for the Gifted and Talented invites you to apply for a mini-grant. Funding for the mini-grants comes from membership dues and proceeds from events. Each mini-grant amount and purpose varies. It is the hope of EPCGT to award grants that promote learning in Eden Prairie, with special consideration given to requests that directly impact gifted students as per the EPCGT mission statement.

Please feel free to forward this letter and the accompanying mini-grant request form to any staff member with an idea or need that falls within the parameters stated above.

The deadline for submission of a mini-grant request is October 31, 2008. Please return the request form to the EPCGT mini-grant coordinator at the PO Box or e-mail address below.

The EPCGT board will vote on the requests at the board meeting following the deadline date. You will be notified shortly thereafter. If your need is time sensitive, and you require immediate notification, please let us know and we will do our best to accommodate you.

Thank you for your help in circulating this information. Please call or email if you have any questions.

Thank you for everything you do for our students and for our school.
